My Dear People,

We have come here for two days of rest following the most strenuous programme I have ever undertaken. It is an interesting spot, reported to be the port from which the Ancient Mariner set sail on the Bristol Channel. The mother of Lorna Doone is said to be buried in the Church Yard. Now after two days of relaxation we are again ready for work.

My best plan, I think, is to write a sort of diary. The days have been so full that of necessity much must be passed over, but at any rate you will be able to catch a glimpse of events and places and peoples. At the outset I am glad to report that Mrs. Barfoot is very well indeed. I believe the journey has already proved beneficial and she is enjoying every minute.

We landed at the London Air Port on Saturday evening, June 5th about 9 p.m. and went immediately to the Cumberland Hotel where I packed my bag for the first week-end of the Lambeth Campaign in the diocese of Liverpool—at Southport. I joined the team of bishops at 7:10 a.m. Sunday, June 6th—the others were Calgary, Osaka (Japanese) and Melbourne. I preached three times on Sunday in the Southport churches. Since Calgary was in the team it was agreed that I should speak of my trip to the Arctic, and Calgary would cover the other aspects of life and work in Alberta. Large congregations attended every service. At Evensong, I spoke to 1,000 people (the average congregation in this particular church is reported to be about 800). Whatever may be true of church attendances elsewhere in England, the people of Lancashire still go to church. I got the impression of great vitality and absorbing interest in all that concerns the church. I have, however, been assured that the same does not obtain in other parts of the country. Nevertheless, the experience was encouraging.

Monday, June 7th, we spent in the Wigan Deanery—three addresses. The afternoon meeting was attended by more than 800 people and the evening a full church of about 400.

Tuesday was spent in the Deanery of Warrington. The day began with a celebration of Holy Communion at 8 a.m. at which there were 100 communicants. After breakfast I spoke to the pupils in the Church school. At 11 a.m. I was taken to what is called an Approved School. It is for the education of delinquent boys and proved to be the highlight of the week-end. I spoke to 150 boys in the school chapel. All of them have been through the courts for some offence. Truth to tell, I have rarely seen a more intelligent or happier group of boys. They receive training—very careful training

—in almost every kind of trade. They have actually built most of the buildings and I saw them at work on new buildings—carpenters, plumbers, electricians, bricklayers, etc. The headmaster told me that they have about 85% success in reclaiming the boys and from what I saw I can well understand it. The whole atmosphere of the school was one of happy work and friendly intercourse. We have much to learn in the treatment of delinquents.

Wednesday evening I returned to London and rejoined Mrs. Barfoot. We spent Thursday and Friday getting acquainted with the ration system. On Friday evening we went to the movies and the news pictures were all about the Leduc oil wells, especially the one out of control and also pictures of the B.C. floods—we were pretty much at home. On Saturday morning early, we went to Epsom where I was scheduled to perform a marriage for one of my former St. John's College students. I left Mrs. Barfoot with cousins in Weybridge and set out for Aberdeen where I joined a team of bishops—Mombasa (Kenya), Nelson (New Zealand). I travelled all night reaching Aberdeen at 7:30 a.m. Sunday. Here there were only three services—11 a.m. at the Cathedral, 3 p.m. a children's rally of about 1,000 and Evensong. This beautiful city built entirely of granite defies description. The warmth of our reception was a never to be forgotten experience. I was greeted by being presented with a copy of the Scottish Churchman—the church paper in which the leading article was a reprint of my page in "The Edmonton Churchman"—the one on Communism. So you see the "Edmonton Churchman" has an Empire reputation!

We left Aberdeen at 9:30 a.m. Monday, arriving at King's Cross, London at 10:20 p.m. I went by tube to Paddington and caught a train at 12:55 p.m. for South Wales where I was to speak at a Pilgrimage in celebration of the 250th Anniversary of the S.P.C.K. The Archbishop of Wales sent his car to the station and I was taken to his palace. The Archbishop is about 80 years of age but most remarkably alert and active and full of gracious kindness. It was a delightful experience about which I must tell you more later. At the Pilgrimage, Canon Jones (father of Hywel Jones) met me. We talked of Canada, of his children and grand children (whom I confirmed at Holy Trinity a few years ago). Everywhere I go it is the same. I meet relatives and friends of people I have known in Canada.

God has been good to us. We are both happy and feel a deep sense of gratitude to you all for enabling us to make this pilgrimage to the Motherland and to Lambeth. When I write again the strenuous six weeks of the Conference will have been underway for several weeks. Please God we shall be able to advance His cause in and through our meeting.

We greet you sincerely,

*Walter S. Edmonson*

## LAMBETH 1948

The Lambeth Conference will convene on July 1st and continue until August 8th. This conference of Bishops of our Communion from all parts of the world will take place in Lambeth Palace, the home of the Archbishop of Canterbury, the Most Reverend Geoffrey F. Fisher. "God in His world and in His Church" is the central theme of the conference, and the assembled Bishops, together or in committee, will discuss many aspects of that general theme. Differing and changing conditions on every continent will make for different expressions of opinion, but we shall all look for some positive help and guidance in the larger problems which are common to all parts of our Church. It will not be until the Conference is over and the Bishops have dispersed to their home Dioceses that reports of their deliberations will be available.

Church Conferences, because of the very involved nature of the Church's business, sometimes gain a deserved reputation for pious promises and meaningless platitudes. It is not easy for conferences to be forthright in their utterances and courageous in their decisions. There is the danger of being misunderstood by those who know little and care less about the background of the problems. There is always a greater danger of creating divisions within the Church which, once made, are not easy to heal. In any case Lambeth is for the purpose of discussion and not legislation.

Members of our Communion everywhere are showing a real interest in this, the eighth Lambeth Conference, and will pray that under the guidance of the Holy Spirit it will prove an occasion of outstanding spiritual advance at a time when it is so necessary for the Church to advance. For these are critical days in our history, resembling in many respects the task of the Church of the first century as it sought to make its witness in a hostile, or at best indifferent society. God was in His Church in His world then, as He is now, and we must learn to do His will.

Remember the Lambeth Conference in your prayers.

### KAMP KAPASIWIN

Once again the holiday season is upon us, and many will be taking a well-earned rest. To all who are fortunate enough to be able to take a holiday we extend our good wishes, and express the hope they will return refreshed and ready for the tasks which are appointed them.

Our Diocesan Holiday Camp at Kapasiwin is likely to be a hive of activity during the next two months, and we would like to commend Kapasiwin to all our Church families as an excellent resort for all young people. Kapasiwin enjoys a splendid location on Lake Wabamun, and is most convenient by train or car. A paved highway runs to within a few miles of the camp. Good meals, comfortable beds, supervised play, and rest periods, all under competent Christian leaders, help to make each camp a happy and memorable experience, and those who have attended in previous years are frequently among the first to register again. Particulars of the different camps for boys and girls will again be found in this issue of THE EDMONTON CHURCHMAN, and we recommend Kapasiwin wholeheartedly to all who are interested.

# DIOCESAN NEWS

## REV. F. A. PEAKE RESIGNS TO BECOME FIELD SECRETARY

The Rev. F. A. Peake, Vicar of Ponoka, has resigned from his parish in order to accept the appointment of Western Field Secretary in succession to the Rev. L. A. C. Smith. Mr. Peake has always shown a great deal of interest in Religious Education, and during the past winter played a prominent part in the work of the Anglican Sunday School Teachers' Association, having given a lecture on Visual Aids at each meeting.

He hopes to make his headquarters in the city of Edmonton, and will thus still maintain a strong link with this Diocese, even though his duties will necessitate his travelling through the Diocese of the West. We wish him every possible success in his new work.

## PAROCHIAL MISSION IN CHRIST CHURCH

December 5th to 12th, Canon Quintin Warner of London, Ontario, will conduct a Mission in Christ Church, Edmonton. Canon Warner was formerly Rector of Cronyn Memorial Church in London, Ontario, and after a successful ministry there of some 28 years, resigned from his Parish in order to devote his whole time to Community Evangelism and Personal Counselling. His visit to Edmonton promises to be a great event in our Church life, but much depends on the preparation made in the Parish. We ask, therefore, that you remember our Missioner and our workers in your prayers.

## BIRTHS

**BROWNE:** To Rev. and Mrs. D. V. A. Browne (nee Innes Browne) of Barrhead on May 27th at the Royal Alexandra Hospital, a daughter, Margaret Noreen.

**PEAKE:** To the Rev. F. A. and Mrs. Peake (nee Constance Kilshaw) of St. Mary's, Ponoka, on June 24th, at the Royal Alexandra Hospital, Edmonton, a son, Kenneth Richard Tyndall.

## SUMMER ISSUE

This issue of THE EDMONTON CHURCHMAN is the summer issue combining July and August. The next issue will be in September and news for that magazine should be sent in by August 17th.

## FORMER CITY RECTOR PASSES

The Rev. Canon Christopher Carruthers, retired Army Chaplain, and former Rector of Holy Trinity Church, Edmonton from 1912-1927 passed away on Saturday, June 5th, after a short illness.

Canon Carruthers had a long and colourful ministry in the Church in Western Canada. Born at Aylmer, Ontario, he first served as a Curate in Quebec. In 1906 he came to the West, and served as a chaplain of the Barr colony at Lloydminster. He was responsible for the organization of numerous Churches in the surrounding areas in Saskatchewan, and in 1912 he accepted a call to Holy Trinity, Edmonton. In 1927 he moved to Holy Trinity, Winnipeg, where he served until the commencement of the 2nd World War. His last visit to Edmonton was on the occasion of the 50th anniversary of Holy Trinity, Edmonton, when he was the special Guest Preacher.

He is survived by two daughters, Mrs. Olive Addison, of Winnipeg, and Mrs. Ruth Dion, of New Carlisle, Quebec. His wife died in Winnipeg in 1939.

## URGENT

The Western Field Secretary, G.B.R.E. is in urgent need of a house—five to seven rooms, utilities, near bus route, reasonable rent, with possession by the middle of August.

It would be greatly appreciated if anyone having, or knowing of such accommodation would communicate with The Rev. F. A. Peake, S. Mary's Vicarage, Ponoka, Alberta.

## ANNUAL MEETING OF VERMILION DEANERY W.A.

The Annual Meeting of this Deanery was held in Vermilion on Tuesday, June 8th. The session opened with a Corporate Communion Service at 11:00 a.m. held in St. Saviour's Church, in which twenty-four members participated. The officiating clergyman was the Rev. T. W. Teape, who was assisted by the Rev. V. P. Cole of Mannville.

After the Service, the Clergy and visiting delegates were entertained at a luncheon in the Brunswick Hotel.

In the afternoon the meeting was held in the new Legion Hall, with five branches represented. We were honoured in having with us Mrs. S. F. Tackaberry and Mrs. R. J. Horne, both of whom gave inspiring and thought-provoking addresses.

The reports from the various branches in the Deanery showed that most encouraging progress is being made in all departments. In view of their small membership, the reports of what had been accomplished by the Kitscoty, Wilberforce and Innisfree branches were particularly worthy of commendation. We were sorry that a representative from the newly-formed branch at Marwayne was unable to be present. It was evident, from the report read, that a very good beginning has been made there.

Mrs. J. R. Robson, of Vermilion, was the guest speaker and gave a most interesting and entertaining account of her recent visit to England.

The officers, elected by acclamation, for the coming year were:

President, Mrs. Gordon Williams, Vermilion; Vice-President, Mrs. V. P. Cole, Mannville; Secretary-Treasurer, Miss Grace Bury, Vermilion.

At the close of the meeting, tea was most attractively served by the members of Clandonald branch.

## VERMILION-WAINWRIGHT DEANERY CHAPTER MEETING

The members of the Vermilion-Wainwright Deanery Chapter once more enjoyed the hospitality of the Rev. and Mrs. W. D. Ellway, at their quarterly chapter meeting.

The session opened with the service of the Holy Communion, with the rector of Edgerton acting as celebrant.

The Rev. and Mrs. W. D. Ellway entertained the members to a most enjoyable luncheon.

The Chapter assembled for the business session at 2 p.m. The meeting opened with prayer led by the Rural Dean, following which the Secretary called the roll. Those answering to their names were: Reverends, E. N. P. Orme, T. W. Teape, V. Cole, H. Brant, W. D. Ellway, F. E. Smith and Mr. David Welander.

Items of special interest taken from the minutes are as follows: The schedule for the visit of Dr. H. G. Watts was arranged. He will arrive at Wainwright on October 10th, where he will spend the day. On Monday he will visit Viking and Tofield; Tuesday, Vegreville; Wednesday he will be the guest speaker at a special Deanery conference to be held at Mannville at 3 p.m. It is hoped that many members of the various parochial organizations will make a special point of being present at this conference.

Summer camps were discussed and it was noted that there is evidently a good deal of camping talent in this deanery, for most of the leaders for the 1948 camps have been chosen from the parishes represented.

Some time was spent discussing the various special appeals which seem to arrive in ever increasing numbers. It was felt by all, that it would be beneficial to those who are faced with the problem of parochial budgets, that if some such system as the Community Chest idea were inaugurated, it would eliminate a few parochial headaches.

It was felt that a camp could profitably be held for members of the Chi Rho age group—though not necessarily for married people. As a result a motion will be sent to the Diocesan Board of Religious Education.

A profitable period was spent discussing matters of common interest and some considerable time was spent upon items relative to Church union.

It was decided to hold the next meeting at Wainwright on September 6th.

Choral evensong brought to a close a very happy and profitable day.

## THE CATHEDRAL BUILDING FUND

There are strong indications that it may be possible to begin the first stage of the building of the new Cathedral in the Spring of next year. Plans are now well advanced and when this first stage is completed it will provide for more extended accommodation for Diocesan and Parochial work. No part of the present buildings will be touched and all the construction work of this first stage will be in the nature of additions which will include two large Guild Rooms each capable of holding seventy-five people.

The cost of building this first stage will not be less than \$50,000 and our present resources are \$21,210. An intensified campaign to raise the additional funds will be launched in the fall of this year, but in the meantime, Monthly Subscription Envelopes may be obtained. If you would like to subscribe in this way, a packet of these envelopes will be sent to you, if you would be kind enough to apply to the Dean, All Saints' Cathedral, Edmonton.

## RESULTS OF G.B.R.E. EXAMINATIONS

The Diocesan Board of Religious Education has pleasure in reporting the results of the recent tests on the Sunday School lessons. All the pupils who wrote the tests are to be commended for that effort. The number of boys and girls who made marks of 50 and over is very large, and this is a matter of congratulations to both pupils and teachers. It is to be hoped that the real benefit derived from these annual tests will recommend itself to more of the clergy, teachers and pupils, so that next spring there will be an even larger number of persons not only writing the tests, but also making splendid records in the marks achieved.

Many thanks to the Examiners, the Revs. F. E. Smith, E. N. P. Orme, H. G. Brant and C. F. W. Goddard, who, with their assistants, did a splendid job of marking the papers for us.

## WORLD PEACE— CALL TO PRAYER

Prayer at 12 noon (whenever possible)

"Our Father in Heaven, we pray Thee to send into our hearts, and into the hearts of all men everywhere, the Spirit of our Lord Jesus Christ." Amen.

### Addresses You May Need

### Dorcas Appeal

—from the Dominion Dorcas Secretary-Treasurer:

Hospital supplies for the Obuse Sanatorium, Japan, to the extent of \$1500 were sent in January of this year, and arrived safely by the end of that month. It is expected that W.A. branches in every Diocese will make some contribution to meet this expenditure.

And for the Canadian field, this and every Diocese is asked for \$2.00 for each child outfitted over and above all other money for Dorcas work. Our share for this would be \$60.00.

### "One Family"

Part II, may be obtained from Mrs. L. D. Moore. It deals with our church's work overseas, and seems to be well-written and illustrated. Every branch needs a copy for the 1948-9 year. The price is \$1.00.

### The General Pledge

Our Diocesan Annual was asked by the Dominion Board for an increase of \$200.00 in the General Pledge for 1948. The Presidents and delegates of the various branches represented assumed half that amount with the understanding that if more came in it would be applied on the balance. To date 9 city branches and 15 out-of-town branches have increased their Annual Pledge.

The names follow:

# Dedication of Memorials at Holy Trinity

On Sunday, June 20th, a Service of Dedication of Gifts to the Church was conducted by the Rector, Canon W. M. Nainby. The Memorials included a stained glass window depicting "St. Luke" erected by the congregation in memory of a former Rector, Canon G. G. Reynolds; a group of three stained glass windows, erected by the congregation, in memory of Mary A. Ord, and depicting Mary at the Feet of Jesus; an oak Prayer Desk in memory of F/O Robert Molloy; an oak table in memory of Harry E. Roberts, former Envelope Secretary; and also a "Book of Remembrance" and oak cabinet, a gift to the Church.

Taking as his text the words under the picture on the Mary Ord Memorial, "One thing is needful. Mary hath chosen that good part which shall not be taken away from her," (Luke 10:42) Canon Nainby said:

To-day is a particularly happy occasion in our parish life. There is the joy of giving and receiving, of paying tribute and giving thanks. Our opening words this morning were from the Hymn 466, "We love the place, O God, wherein thine honour dwells" and it is our privilege to gather in God's house to give and receive and to dedicate to God these gifts for the enrichment of His house.

I do not think it would be easy to find a more representative group than those in whose memory we have dedicated these gifts.

Starting up in the Sanctuary we honour our former Rector Canon Reynolds with a stained glass window depicting "St. Luke." Many of you will remember the ministry of Canon Reynolds in this parish and the fourteen years which he served here. He came in 1927 and played a great part in the organization and development of the parish. On his shoulders more than any other fell the responsibility for meeting the obligations of the Church during the long and hard years of the depression, and he faced the challenge with wisdom and courage and steadfastness. He enjoyed the affection and esteem of a very wide circle of friends, and as I go about the parish I hear many

**"St. Luke," The stained glass window  
in memory of Canon Reynolds**

tributes to his work and his helpfulness from all walks of life. The words under the figure of St. Luke in the window which we have erected in his memory come to us as though they are a final benediction from the Priest in the Sanctuary, "Peace be to this house." So our first tribute is to a priest of the Church of God.

BENEATH the window, in the Sanctuary, we honour a youth of the parish, and one of our number who fought for us during the 2nd World War. Robert Molloy was once a choir boy here. His place was on the south side of the Chancel, and the Prayer Desk in his memory is now placed on that side. He belonged to our Scouts, and answered the call of King and Country, became an officer in the R.C.A.F. and was shot down over Germany. Many of you will remember him, and cherish this gift from his parents in his memory. So our second tribute is to a youth of the Church.

Coming down into the Nave of the Church we honour a woman of our parish who during a fine long life of 91 years worked untiringly for her Church and especially in this parish. Mary Ord had herself presented several beautiful memorials to our Church, and all who knew her, speak of her faithfulness and devotion. She was an active member of the Woman's Auxiliary, a Life Member, and among other things this parish will always owe her a great debt for the help she rendered in lessening the financial burden at a time when it was very grievous. The window in her honour is also a gift of the Congregation, and is placed nearest the pew in which she sat so straight, Sunday by Sunday.

A Priest, a Youth, a Laywoman, and now a Layman. At the back of the Church is the family memorial to an outstanding Layman of our Church, Harry Roberts, and it is placed at the door where he used to stand so often on a Sunday morning or evening, welcoming the congregation whom he knew so well. For almost twenty years Mr. Roberts was our Envelope Secretary, and for many years he was Treasurer of the Mortgage Fund, though he passed away a few short months before the mortgage was finally retired. I count it a very great privilege to have known Harry Roberts, and his record as a Layman of our Church is a long record of faithfulness, integrity and efficiency.

A Priest, a Youth, a Laywoman, and a Layman. And now, as if to gather up all who have served God in this place we have at the centre door an Oak cabinet containing the Book of Remembrance, an anonymous gift to the Church. We will want to inscribe there the names of those who have played their part in the life and work of our Parish—extending Christ's Kingdom—those who belonged to the Church Militant here on earth and are now numbered among the Church Triumphant in Heaven. Many names will be entered in that book, with such a record of their service as we can remember, and over the years it will prove a real history of Holy Trinity Parish. Perhaps I should explain here that names for the Book of Remembrance will be welcomed, and may be entered without any charge. It may be that some will want to make a small thank-offering—it is quite optional—and any such offering will be used to establish an Endowment Fund. But the primary purpose of the Book is a Book of Remembrance where we will remember all who have served God in this Church.

So today we hold in thankful remembrance a Priest, a Layman, a Laywoman, a Youth and all the saints who have finished their course and kept the faith.

Why do we put beautiful and costly gifts in this church? Well, we speak of our church as the House of God, a place set apart for praise and prayer

and thanksgiving to God. The very act of building a church, as with every act of beautifying and enriching it is an act of worship. All our gifts are given to the Glory of God. It is an instinctive act of homage which rises from the human heart. All over the world there are men and women and boys and girls who feel as we feel, who experience the urge to worship as we experience the need for worship, who make their prayers and sing their praise, and lift up their hearts in thanksgiving, just as we pray and praise and give thanks.

Take away this building, and others like it, and the result would soon be misery and anarchy, for the church stands in the world as a sheet anchor in the storm of daily living. Our worship helps us to live a proper life, a balanced and complete life. Without worship life is incomplete, and grows more shallow and selfish and worldly as the years go by. The grave danger with us all is this danger of being too busy to find time for God. Almost all our life is spent in the search, sometimes frantic search, for things which money can buy. For, whilst the church exists to proclaim that man does not live by bread alone, we all know that man does need bread, nonetheless, and many other things beside, and he needs money in order to provide them.

Any pious talk suggesting that the only complete life is one in which a man or woman withdraws from the world in meditation on the world to come ignores the obvious "fact" that

earning our daily bread is an essential part of life, and honest and useful toil is the proper responsibility of everyone.

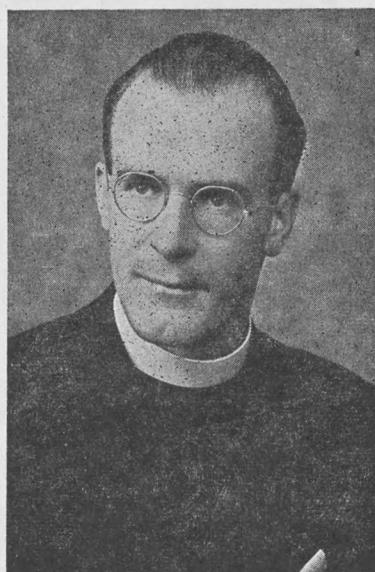

But we have no difficulty in understanding that. Everything we do emphasizes that fact. All our education, newspapers, radio, governments—they all tell us over and over again about man's physical needs. There's no difficulty there. That is the natural man. But this church, raising its tower over the tops of the houses, exists to proclaim a deeper message, now illustrated for us in our new window of Jesus and Mary. The church adds a word to the statement of man's need. He lives by bread—true! He needs food and clothing and a home to live in—true! But he does not live by these things **alone**. He does not live by bread **alone**.

For man has a spiritual nature as well as a physical nature. He is made in the image of God. He exists for communion with God. His highest and most sublime need is spiritual, communion with God. And no matter how much the things of the market place clamour for our lives to possess them completely, no matter how much our friends and relations may throng us, one thing especially is needed . . . time out that we may, as it were, sit at the feet of Jesus and enjoy communion and fellowship with Him.

For it is possible to be so successful that we gain the whole world—and yet lose out. It is possible to acquire wealth and position and power—and yet be intensely unhappy and unsatisfied. Sometimes we need to pray to be delivered from the tyranny of things, of friends, of relations, in order to find the one thing which we need for our soul's health. Like Mary, we must choose that good part which shall not be taken away from us. Laying up for ourselves treasures which neither moth nor rust doth corrupt, and where thieves cannot break through nor steal.

That is the purpose of worship. That is what our church exists to proclaim. That is the unspoken testimony of every memorial we dedicate. They all say, "Choose that good part which shall not be taken away from you, for man doth not live by bread alone." They point us to the skies. They point us to God for they are all to the glory of God as we dedicate them in thankful remembrance of the lives of those who have sought to inspire us to nobler and holier living.

The programme was interesting and varied. Marilyn Mieski recited Pauline Johnstone's beautiful poem, "The Song My Paddle Sings."

Dorothy Constable gave a description of a day at Wabasca Residential School.

Mrs. Hutt, Diocesan Dorcas Secretary used G.A. members as models for the outfits for the girls at Wabasca.

### ALL SAINTS' CATHEDRAL

The Very Rev. A. M. Trendell  
The Rev. H. W. Buchner

As summer approaches, the various organizations are ending their activities for the summer. The Junior Church ends a very happy year on the 19th of June with their annual Picnic at Borden Park. A very successful picnic was held recently to end the activities of the Mission School. Our thanks go to Mrs. Preston and to the teachers of both the Mission and Cathedral Schools for their faithful labours. Many thanks also to Miss Lamb and her staff who take care of the Cathedral Beginner's School.

The A.Y.P.A. held their final Banquet and presented a very enjoyable roller-skating programme on June 7th. Chi Rho has been meeting through the month with hikes and various other meetings. The Chi Rho service club has been well patronized and members are becoming quite experienced in various forms of labour.

The Wolf Cubs, twenty-five strong, recently had a weekend camp at the Rover's Cabin at Black Mud under the leadership of Mr. W. Campbell, the Cub Master.

Our congratulations go to Mr. Barford and to the members of the Cathedral choir who distinguished themselves in the Provincial Festival in Calgary. These, along with the Junior Chorus and the Boys' Choir were heard in a most enjoyable concert on June 18th in the seventh annual 'Summer Concert.'

The Mission W.A. held a Tea and Sale on the first of June. They are to be congratulated on their excellent work in paying in full the very large bill incurred by the redecoration of the Mission Hall.

Several more parcels of foodstuffs have been sent to England. In future, the first Sunday of each month will be food parcel Sunday when members of the congregation are asked to bring their contributions of food for the parcels or to donate towards the postage expenses.

**Baptisms:** John William Gillis, Winifred Kathleen Reid, Marjorie Lilian Davies, Alice Elizabeth Pinckston, Peter David Lefroy, Ellen Jane Shaw, Robert Arthur Dawson, Dianne Louise Costello, Barbara Ann Baines, Thomas Norman Taschuk, Rodney Lawrence Mitchell, Beverley Anne Loewen, Harold Richard Thompson.

**Marriages:** Morgan Carry, Barbara Cook; William Stewart, Anne Tzuris; Harold Wagner, Gladys Sterry; William Chisman, Gwendolyn Coljee; Elmer Townsend, Lillian Scott.

**Funerals:** Gertrude Francis Imeson, Cyrille Romeo Wetterley, Mary Matilda Starling.

During the Rector's absence from July 19th to August 19th, Mr. Buchner will be in charge of the parish and

may be obtained by phoning 24234 in the mornings or by leaving a message with Mr. Tims at 22376.

### CHRIST CHURCH

The Rev. E. S. Ottley

The weather has been good to us this past month, and its effect has been reflected in the attendance at Church. We are glad to note that our congregations have been well maintained these past few Sundays. It was especially gratifying to have a good congregation to greet our special preacher, the Rev. G. D. Kelly, of St. Paul's, Jasper Place, on the morning of May 23rd. In the evening of that same day, we welcomed a large number of delegates to the A.Y.P.A. Conference, who attended the Service, and remained afterwards for a Fireside Hour in the Parish Hall.

**Sunday School:** All Departments of our Sunday School and Junior Church marked the closing of their sessions for the season by attending the 11 o'clock service in the morning on June 13th. It was a delight to see all our children present, and to count among the congregation so many of the parents.

The Annual Picnic for the Sunday School and Junior Church will be over when you read this. The picnic is planned for Saturday, June 19th at Victoria Park, and the arrangements are in the hands of a capable Committee, so that we are assured of a happy time, if the weather is kind to us.

**W.A.:** The last meeting of the season was held on June 8th. The Treasurer's report showed a balance of nearly \$200, and \$125 of this was voted towards the Pledge, and it was agreed to increase the pledge if necessary by \$10. Following the meeting, at the tea hour, gifts were presented to Mrs. Gutteridge, who is leaving shortly on a visit to England. It was a complete surprise to Mrs. Gutteridge and she found difficulty in expressing her thanks. The members also heard with regret that Mr. Gunn was definitely giving up his duties as Verger. He will be much missed by all who experienced his cheerful co-operation in the work of the W.A.

The Little Helpers' Rally was a success, although not a large number of those invited attended. The tea was preceded by a short service, at which the Mite Boxes were presented. The organ was played by Mrs. deWynter.

**Choir:** The closing banquet of the Choir was held on Friday, May 21st. It was a most enjoyable affair, the banquet being followed by a programme of games, music, and the playing of recordings of the singing of the Choir. During the evening a presentation was made to the Choirmaster, Mr. Leonard Betts, in appreciation of his great work during the year; and a gift was presented to the Organist, Miss Dorothy Teape, in recognition of her devoted co-operation in the music of the Church.

**Garden Party:** The Garden Party held on Wednesday, June 9th, was a success, in spite of the threat of rain and the menace of the mosquitoes. Afternoon tea was served and a snack Bar operated during the supper hour. Meanwhile, the Midway on the Church grounds was in operation until well on in the evening. A most enjoyable concert was presented in the evening by members of the Choir, assisted by the Cavendish Choir; after which dancing continued until everyone was ready to go home. The thanks of the Church are due to all those whose hard work contributed to the Party's success. It was most gratifying to find that every organization in the Parish was actively engaged in some aspect of the day's activities.

**Parish Hall:** Work on the Parish Hall is proceeding steadily, and the basement walls should be finished by the time this appears in print. Contributions keep coming in, and we acknowledge the gifts from several of our organizations including the Parish Guild, W.A., Mothers' Union, Chi Rho and Girls' Auxiliary. The Parish Calendar, which is also in aid of the Hall Fund, is also making excellent progress and nearing completion.

**Congregational Picnic:** The picnic on June 12th was one of the best we have ever attended, and we extend thanks to the Men's Club, and all who helped. A perfect day, a perfect place, and an appreciative group of children and adults all helped to make this a happy occasion. We shall look forward to another year.

**W.A.:** The annual Garden Party was held at the home and grounds of Dr. and Mrs. May. It was a lovely day, and a large number attended, making the event a most successful one in every way.

**Young Women's Fellowship:** The last meeting of the season took the form of a Bazaar shower and party in the Rectory. There was a splendid response to the bazaar appeal, and everyone enjoyed the social evening.

**Mothers' Union:** The June meeting took place at the home of Mrs. H. Cable. Mrs. R. Wood gave an interesting reading on the "Life of Faith." Our next meeting will be in September.

**Choir:** The choir also held an end-of-the-season social on June 17th and it proved a very enjoyable evening. Mr. and Mrs. H. Hardy received the congratulations of the Choir on their anniversary and a presentation was made to Tom and Gwen Price who are leaving shortly for the East.

**Dedications:** The Service of Dedication of the Memorials was held on June 20th and we are not a little thrilled at the beautiful additions to our stained glass windows and oak furnishings, and "Book of Remembrance."

**Chi Rho Fellowship:** We would like to congratulate the Chi Rho on their production of the play 'Black Cats'. If possible we hope they will be able to re-produce it in the fall.

**A.Y.P.A.:** Meetings and outings will be arranged as often as possible throughout the summer months.

**Parish Guild:** The May Meeting took place at the home of Mrs. A. Livingstone. Arrangements were made for the annual Garden Party to be held at the home and grounds of Mr. and Mrs. H. Hawe, 11623 Sask. Drive. We look forward to this event each year, and hope for a lovely day.

#### ST. LUKE'S, EDMONTON

Canon A. Wallis

There has been a good deal of activity in the Church and its various organizations this past few weeks. On Sunday, May 30th a very inspiring Service was held, when a number of new members received their badges and were admitted to the various groups of the W.A. One to the Afternoon group, 6 to the Evening group, 7 to the G.A., and 6 to the J.W.A.

On June 12th, Miss F. Beeby sailed for England, and our prayers are for a pleasant journey, a happy visit, and a safe return in the Fall.

The R. W. Ritchie family are leaving at the end of June to take up residence in Victoria, and it will be hard for the congregation of St. Luke's to say farewell to so faithful a family. During the service of Evensong on June 13th, Mrs. Ritchie (Pres. of the Evening group of the W.A.) was made a life member of the Diocesan W.A. (a gift of both groups of St. Luke's W.A. for long and faithful service). The badge was presented by Mrs. S. F. Tackaberry, Diocesan President of the W.A., and the certificate by Mrs. W. F. Barker, President of the St. Luke's afternoon group of the W.A. A 'highlight' of the affair was having 'Bob' Ritchie in Church after being confined to his home for so many months.

On Tuesday Evening, June 15th, the G.A. held a mother and daughter night, and put on a splendid programme, proving themselves very proficient in their work. Miss Dorothy Ritchie was the recipient of a parting gift from the girls, and both Dorothy, and her sister Noreen received gifts from Mrs. Coghill as mementos of Junior W.A. days. We were pleased to have Mrs. De Iaroque, Diocesan leader of G.A. as a guest.

The A.Y.P.A. held a very enjoyable card party in May as a climax to their season's activities, and while not too well patronized, a very jolly evening was spent, and lots of fun was had at 'stunt time.'

The J.W.A. held their final get together for the season on Wednesday, June 9th, when games and lunch were the order of the day.

The Choir have worked hard of late preparing anthems, etc., and it is grand to see so many out regularly to

#### ST. MARY'S

The Rev. W. T. Elkin

A very successful Garden Party, held in the Church grounds on Friday evening, June 7th, is one of the highlights of our news report this month. The party was under the sponsorship of the ladies of the Evening Group No. 1 of the W.A., and the Men's Club. Tea was served in the Hall by the Evening Group and a sale of excellent home cooking was also an attraction there. Games of skill and guessing contests were also keenly enjoyed. Two prizes were awarded for correct answers in the guessing contest, the first, an electric hotplate being won by Mr. Eric Marsh, and the second, a fruit cake, which had to be divided between Mrs. Eric Rendell and Mrs. Joyce Naismith, both contestants giving the same answers. The proceeds from this function were turned over to the Rectory Fund.

**W.A.**—Group No. 2 (Evening) entertained Group No. 1 (Evening) at the home of Mrs. John Barford recently. This was a very pleasant social evening, and the last meeting of the groups until the autumn.

**W.A.**—The Afternoon Group held their annual Summer Tea and sale at the home of Mrs. T. H. Field on Tuesday, June 8th, and they are pleased to report that the afternoon was a very pleasant one and the result of their sale very satisfactory. The last meeting of this group was held on Monday, June 13th, and they will resume activities early in September.

**Junior W.A.**—These bright youngsters have carried off the silver cup for the third successive year in the Annual Festival. This is good work and we highly commend both the girls and their leaders. The annual picnic was held in the Queen Elizabeth Park on Friday, June 18th. Everyone went swimming and had a good time. No more meetings until September.

**Sunday School:** For the first time in years we have been able to have our Sunday School picnic on the arranged date (June 12th this year). The fun took place in Borden Park under sunny skies

and just enough breeze to keep away the mosquitoes. The usual games were played and races run and there were prizes galore. Ice cream, lollipops, etc., were consumed and enjoyed in large quantities. It was indeed a day for the youngsters and those who feel young, and in this connection we would especially like to mention Mr. Glazier, who is probably one of the oldest members of our congregation and who never misses our picnics. He was in his element with the children and it was good to note the pleasure he derived from his participation in a good old game of cricket with the boys.

The success of these annual picnics is largely due to the efforts of the hard-working committees who organize them and to them we tender our thanks for another enjoyable day.

#### A.Y.P.A.:

We are indeed happy to report that our "Varieties 1948" was a success, and our thanks and praise go to Marie Wilce who produced and directed the show. The welcome that greeted our Variety Show at the Colonel Mewburn Hospital and the Oliver Institute was appreciated.

Another important event was the election of officers and the results are as follows:

President, Marie Wilce; Vice President, Stan Dunwald; Secretary, Patricia Walsh; Treasurer, Ifor Jones.

Our baseball team is looking forward to some interesting games this summer.

The last business meeting was held for this season on June 2, and we are looking forward to our first meeting next fall.

#### ST. MICHAEL & ALL ANGELS NORTH EDMONTON

The Rev. G. W. Wilson

Before our Bishop left for the Lambeth Conference he confirmed nine candidates. Our little church was crowded and the ceremony most impressive.

Please note that during the month of August our Sunday service will be at 9:30 a.m., but that we will be back to our normal 11 o'clock service on the first Sunday in September.

The Sunday School picnic was held on the Church Lawn, Wednesday, June 30th and as usual the youngsters had a wonderful time.

Our W.A. are as busy as bees just now to find ways and means of putting in gas heating in the Church and hall before next winter. This will be a wonderful improvement over the coal heating.

The A.Y.P.A. have had a busy month. On May 24th a picnic was held at Lakeview Beach, Cooking Lake, and on June 7 another excursion was held to Elk Island Park. Their chief activity, the corporate communion on the first Sunday of each month with breakfast following, was well attended.

The Sunday School will re-assemble on the first Sunday of September at 10 a.m.

The choir has now ended a good year's work. The rector would like to thank their choir and organist for their loyalty and good work during the past few months. He hopes they will all be together again when practices recommence in September. Choir members send their best wishes to Mr. Horace Horton who has been seriously ill and hope that his recovery will soon be complete.

At the choir's business meeting Mr. T. J. Jones was elected president and J. T. Clarke vice-president. Other officers: Secretary, Miss Margaret Wright; Treasurer, J. T. Clarke; Librarian, Miss Alvera Hadley; Vestments, Mrs. J. T. Watson.

#### ST. GEORGE'S, FT. SASKATCHEWAN

We gave our last presentation of the operetta, "Oh Doctor" on June 10th at Bon Accord. We received a warm welcome from the large audience present. This was followed by a very enjoyable social hour, lunch being served by the W.A. members.

We are very pleased with the new linoleum for the Rectory.

On June 18th members of Gibbons W.A. will be the guests of our W.A. We are sorry Bon Accord W.A. was not able to accept our invitation as Mrs. Moore, Diocesan Educational Secretary, will be our guest speaker on that evening. She will speak on our Mission Study book.

The W.A. is planning to hold a sale of home-baking on Saturday, June 19, in Dawson & Jones' store.

The Little Helpers' party will be held at the home of Mrs. Bert Stannard on June 22nd.

The Sunday School members had a very pleasant afternoon swim at the South Side swimming pool, June 12th. Lunch was served later at the home of Mr. and Mrs. R. H. Routledge. We would like to thank those who provided transportation for the children.

#### BON ACCORD, ALBERTA

Due to adverse weather conditions, blocked roads, wash-outs, etc., church services were very irregular throughout February, March and April.

The Very Rev. A. M. Trendell visited this parish recently in the absence of our rector.

The W.A. had their bi-annual meeting in May for giving the church a thorough spring-cleaning.

At long last the weather man was on our side to enable us to have Fort Saskatchewan parish present their operetta, "O Doctor," here on June 11th, under our auspices, to a good crowd. Everyone enjoyed the performance very much, so we hope the "Fort" puts on another operetta for us next year.

**Death:** Charles Edward Schneider, 8-month-old son of Mr. and Mrs. Robert W. Schneider.

#### EMMANUEL CHURCH, GIBBONS

At the Vestry meeting held June 6th the go-ahead signal was given to the building committee to proceed with the re-shingling of the church roof.

Announcement was made by the committee in charge that a building had been purchased that will be suitable, when finished, for a Parish Hall and for Sunday School purposes.

A clean-up day for church grounds has been arranged for June 23rd.

At the last meeting of the W.A. they arranged for a garden party to be held July 9th at the home of Mrs. R. S. D. Gibbons. They hope for a large attendance.

Many of the members of the Gibbons W.A. attended a social evening at the invitation of the Fort Saskatchewan W.A. They spent a pleasant and instructive evening. Mrs. Moore, Educational Secretary, gave a talk on the W.A. Study Book which was greatly appreciated. Mrs. Grace Roberts related some of her experiences at Fort Chipewyan while living there with her family, when her late husband, the Rev. O. J. Roberts, was stationed there. A delightful lunch was served.

**Baptisms:** Marlyn Grace, young daughter of Mr. and Mrs. George Holmes; David John, infant son of Mr. and Mrs. Roy Wearmonth.

#### ST. PAUL'S, LEDUC

The Rev. A. Elliott  
The Rev. W. E. Harrison

A meeting of the St. Paul's W.A. was held at the home of Mrs. Pow on June 3rd with six members present. One new member was welcomed.

A tea and sale of work will be held in November. Members are asked to keep this in mind. The next meeting will be held at the home of Mrs. N. Wilkinson. A cleaning bee was held at the church recently with excellent results.

We are glad to welcome Dr. and Mrs. R. Puddicombe to our parish.

The sympathy of the parish goes to Mrs. W. Maine and family on the death of her husband and father.

**Birth:** A son, George Herbert, was born to Mr. and Mrs. Herbert Reynar on May 13th.

### ST. MARY & ST. GEORGE, JASPER

The Rev. T. C. B. Boon

The closing service for the season of the J.B.W.A. was held in the church on the afternoon of Thursday, June 17th. Awards were made for the past year's work to Dorothy Peterson, 5th stripe; Shirley Watt and Donna Seward, 3rd stripe; Special Award for Punctuality, Glenda Church. This award was a framed enlargement of Glenda as Banner Bearer, and was a very suitable recognition of her faithfulness. Wilna Stinson was admitted as a member and received her membership card. Primrose Heckley, by virtue of being the oldest member of the J.B.W.A., presented to Mrs. Boon, on behalf of the members, a gift in recognition of her help in taking the meetings when Mrs. Peterson was not able to be present. Once again Mrs. Peterson is to be congratulated on having done a very fine year's work with our girls.

The Evening Branch W.A., at the meeting on 13th June, packed their Spring Social Service Bale, and we thank those who contributed towards it.

Eleven of our Senior Sunday School children wrote the G.B.R.E. examinations in May. While only two of them were successful (Dorothy Peterson, who has for the second time won a Religious Tract Society prize, and Donna Lee Sullivan), some of the others did very well for their age and generally our Sunday School did very much better this year. We shall be in need of teachers when the Sunday School opens again in September, and would very much appreciate any volunteers who feel they can offer themselves for this work.

We very much regret the departure from the Parish of Mr. and Mrs. John C. Kilgour and wish them every happiness in their new home at Enderby, B.C. Mrs. Kilgour did excellent work with our G.A. last winter and we shall miss her at the Vestry meetings. The E.B. W.A. made a small presentation to her, as a token of the good wishes of the members, at their meeting on 17th May.

We should like to thank the Wardens (Mr. Snape and Mr. Coupland) for conducting the services, Mr. Hudson and John for reading the lessons, and Mrs. Peterson for taking charge of the Sunday School on May 30th in the absence of the Vicar.

The Rev. W. E. Harrison of St. John's, Edmonton, and the Rev. G. D. Kelly of St. Paul's, Jasper Place, Edmonton, will be in charge of the services at St. Mary's during the summer, and we ask the congregation to make them welcome.

**Holy Baptism:** May 23rd, Richard Keith Hardy, Marie Averill Hardy, Ronald MacRae, Patrick James McConkey; June 13th, Randall Bryan Wilson.

### ST. JOHN'S, ONOWAY

Canon J. C. Matthews

Service at St. John's each Sunday at 11 a.m.

The new well at the Vicarage bored by Mr. Bride is a great success and has about 14 feet of water. The old pump has been repaired and set up. All expenses have been paid by Mrs. Vipan.

A Lending Library from the University Extension has been placed in the charge of Mrs. Claque, from whom books may be borrowed. There is no fee for the books.

Evelyn Wendy Armitstead was baptized on Sunday, June 6th.

The following is a note from Mrs. Dales, Superintendent of the J.W.: "The St. John's J.W. made the trip by truck to take part in the Festival. We were very successful and won the Banner. There are nine girls in this branch from six years old to twelve, and each girl took her part well. I am very pleased with them all. The ride was rough in places but they enjoyed the trip. After the Festival we went to a picture show and then had lunch and boarded the truck for home, arriving in Onoway about 7 p.m."

The Church School Picnic was held on Wednesday, the 16th, after school in Mrs. Grey's field. Mrs. Reiner organized everything with her usual ability and had for helpers Mrs. Russell Armitstead, Mrs. Wudel and Mrs. Maddison, besides our two teachers, Bunny Dixon and Catherine Looker.

### ONOWAY

A very successful Tea on June 10 realized the W.A. \$40.

To commemorate the fortieth anniversary of the W.A. the members have purchased material for a white Frontal for the church.

Some of the members will attend the Deanery meeting at Kapasiwin June 23.

### ST. MARY'S, BARRHEAD

The Rev. D. V. A. Browne

St. Mary's Altar Guild met at the Vicarage on May 19th. A new member, Mrs. A. Stolee, was welcomed to the Guild. The new green frontal and hangings were completed in time for the season of Trinity. The Altar Guild also purchased vitrophane for covering the church windows and this will be applied when the weather is suitable. The good work of the Guild has been much appreciated by members of the congregation.

It is with the utmost regret that we have heard of the coming departure from Barrhead of Mr. Oscar Brown and family. Mr. Brown has been a most faithful and devoted organist, never failing to attend even in spite of the most adverse weather and road conditions. His wife will also be greatly

missed as a most efficient secretary-treasurer of St. Mary's W.A. Their two children, Bernard and Peggy, set a very high standard for the Sunday School by a hundred per cent attendance.

The J.W.A. attended the Festival in Edmonton May 28th and 29th and won the cup in their class.

### ST. PHILIP'S, WESTLOCK

At present the Church is being beautified by the placing of coloured glass in the windows. Mr. Colgan Curlett most generously made a gift of the coloured glass to the Church while Mr. J. W. Cowley kindly gave his time and services towards placing the glass in the window frames.

### CHRIST CHURCH, JARVIE

The regular meeting of the Jarvie W.A. was held at the home of the President, Mrs. P. Ksendz. There were seven members, four visitors and five children present. It was decided to hold the spring sale of work and tea on Saturday, June 19th for which the ladies have a fine display of work.

### ST. LUKE'S, CLYDE

**Holy Baptism:** June 13th: Bryan Arthur, infant son of Mr. and Mrs. William Turner, Nestow.

### ST. CATHERINE'S, EDSON

The ladies of the W.A. catered to two banquets, on the 3rd and 7th of June.

A small gift and card of good wishes was presented to Mrs. E. H. Tucker on her leaving for England this week. We hope she will have a good trip and holiday and safe return.

A Congregation meeting was held after the evening service on June 13th, to discuss completion of the Rectory renovation. Canon Clough presided at the meeting.

**W.A. Notes:** Seba Beach W.A. has a membership of 16 active members and they have been quite busy all winter working for their annual Bazaar which takes place during the month of July. The W.A. and Juniors sponsored a "Sunday School Broadcast" in May.

One CARE parcel has been sent to the Rev. C. Cuttell of London, England,

and another is on the way. A donation was given to the Elizabeth House. The church and grounds have recently been cleaned and we are looking forward to regular church services during the summer months conducted by Arch-deacon Tackaberry. At the May 27th meeting it was decided we would advance our Pledge from \$4.00 to \$15.00 for this year.

**Rural Deanery of Vermilion****ST. SAVIOUR'S, VERMILION**

The Rev. T. W. Teape

The country roads are good once more and services have started again at Ottawa and Pleasant Valley. The first service of the season was a special occasion at the latter place. Three car-loads of choristers from the St. Saviour's choir in Vermilion came for Evensong, and sang an anthem and otherwise enhanced the service. Apropos of anthems, the choir has learned several new ones of late. It has entailed a good deal of faithful work and practice but the favourable comments on the result have been very encouraging.

Our whole parish was grieved to hear of the death of the Vicar of St. Mary's, Clandonald, the Rev. W. J. Brant. He was always ready to give a helping hand with the services at St. Saviour's when we needed him. From these and other occasional visits to the parish we had grown to know him and to like him. We sympathize with his family and with his parishioners in the Clandonald parish.

It is now over a month since the vestry wiped the last vestige of debt off the Rectory with a cheque for five hundred dollars. It should be a source of great pride to our parish that we have returned the borrowed money so speedily. By putting it back into circulation again we are helping to build up the Church. Having cleaned up the debt the vestry proceeded to clean up the church property. On a recent Wednesday they gathered up all the unsightly lumber and rubbish and with the help of Mr. Claude Brennan they effectively disposed of it. Mr. Parker with his usual readiness worked for two whole days renovating the Sunday School in the tower. Mr. Barwick is now calcomining it and as a result our parish hall should present a much more attractive appearance.

**W.A.:** The visit of the Governor-General and Lady Alexander on May 25th was a memorable occasion for the town of Vermilion. The W.A. members served light lunches throughout the day to the many visitors who came to town for the event and turned over the entire proceeds to the local branch of the Canadian Legion as our special contribution to their Building Fund.

Our last activity before the summer vacation was catering for the High School Graduation Banquet on June 11th, when 140 guests were served.

**A.Y.P.A.:** The last meeting of the season was held at the home of Ruth Fooks, the two delegates gave us a very interesting account of the convention.

It was decided to hold a corporate communion on June 20th.

We will lose a few of our members by next fall but hope to see the others again at that time.

**J.W.A.:** Our Junior W.A. has now ceased its activities until the fall. We have thirteen members on the roll, and during the month of May they all attended very faithfully. Due to the pressure of other activities our secretary was forced to resign, and Marie Miller was elected secretary in her place.

On April 19th, instead of our usual meeting, a short service was held in the church. Four girls were given their first stripe. The Rector conducted the service and gave a brief address. The girls had invited their mothers, and after the service we all went into the rectory for a cup of tea. The tea was made and served most efficiently by the girls themselves. They all looked very pretty in green and gold aprons made especially for the occasion.

Lately we have been experimenting with shell work, and some of us fashioned very pretty ear rings and brooches. We also decorated hair bands. A few of the girls brought their own work to give to their mothers on Mother's Day.

**ST. ALBAN'S, CHAILEY**

The Rev. V. P. Cole

On June 2nd the regular W.A. meeting was held at Mrs. Scott's. A card party for June 11th was planned and the bazaar set for July 10th in Mannville Parish Hall. Mrs. Scott was chosen delegate to the deanery in Vermilion. A food parcel was to be sent to our associate members in England. Business was curtailed at this meeting to allow us a longer visit with Mannville W.A. who were our guests. We were pleased to welcome two guests, one from England and one from Calgary, both on holiday. A very nice meeting was enjoyed.

Three members and the delegate attended the deanery.

The card party of June 11th was a big success. Prizes for whist went to Mrs. N. Osinchuk and Mr. D. Hollyoake. Prizes for bridge to Mrs. N. Cotter and W. R. Cornish. Tomato Juice and lemonade were donated and served by Mrs. R. Scott realizing \$4.50. Two angel food cakes were donated by Mrs. M. McDonald being auctioned for \$5.00. The prizes were donated by Mrs. G. Jackson for whist and by K. Sutton for bridge. Practically all the lunch was donated by the members. \$25.45 was the net profit.

Holy Communion was celebrated on June 13th at which service the Rev. H. O. T. Burkwall of the B.F.B.S. was guest speaker. He gave an inspiring address of the printing, circulation and reading of the Bible, Gospels, etc. and the effect such has on the illiterate peoples of the world. He illustrated the magnitude of the work being done in these places stressing the fact it would be enjoyed by all. There were a few

On May 18th Jons Pederson was laid to rest in St. Alban's Cemetery, Chailey, the Rev. V. P. Cole officiating. Messrs. Ralph Boe, R. H. Scott, Lloyd Boe, John Coulter, Oscar Younge and Geo Younge were pall bearers. Beautiful floral tributes were received from relations and friends. He leaves to mourn his loss his wife and three small sons. St. Alban's extends to his wife and family its deepest sympathy.

### ST. MARY THE VIRGIN VEGREVILLE

The Rev. H. G. Brant

On Trinity Sunday the Bishop dedicated the Church of St. Mary the Virgin in the presence of a large congregation.

The Bishop was met at the entrance of the Church by the Vicar, the Vicar's Warden, Mr. C. Hayter; the People's Warden, Mr. G. Warren; and Arthur Nicholson and Gordon Hughes who were the Servers. Mr. Hayter then read the petition for Dedication and then, while the 24th Psalm was chanted the Wardens, Servers, the Vicar and the Bishop proceeded to the Chancel where the Bishop performed the Rite of Dedication.

Following the Dedication, the Bishop proceeded to his Chair in the Sanctuary and the Vicar sang the Eucharist according to the Plainsong setting of Merbecke. The Gospel, Absolution, Consecration and Benediction were said by the Bishop.

In the evening the Bishop confirmed the following: Michael Watson, John Hayter, Arthur Nicholson, Gordon Hughes, Robert Turner, Iris Mast, Thelma Whitford, Ann Poshtar, Marjorie Flathen. This Sacrament was

largest congregation that St. Mary's has had for many years. The Bishop's personal way of Confirming the Candidates certainly put a deep spiritual meaning and challenge into the hearts, not only of the Candidates, but also of the whole congregation. This Service of Witness was stirring and impressive.

It is with great pleasure that we welcome Brian Gudmundson to the Servers' Guild. Brian made his debut when he Served the Altar on the Feast of St. Philip and St. James. Brian's addition to the Guild brings the number of Servers up to four. The other three are: John Hayter, Gordon Hughes and Arthur Nicholson.

On of the long-standing members of St. Mary's recently returned from an extended holiday to the Coast. She is Mrs. A. W. Fraser, who, with her husband, went to the Coast for a well-earned rest. In true Albertan style Mr. and Mrs. A. W. Fraser flew back from the Coast and, with them, they carried eye-witness reports of the flood in B.C. which they saw from the air.

Born to Mr. and Mrs. C. Mills on June 15th a 9 pound baby boy. Congratulations!

### WHITFORD

It was a great pleasure having the Bishop with us on May 23rd. We are very grateful to him for holding the Confirmation service at the home of Mr. and Mrs. H. Mennie, thus having the first service of its kind in Whitford and saving the candidates a trip to Vegreville.

Our Sunday School picnic was held at the home of Mr. and Mrs. T. W. Albiston on June 12 and proved very successful. Our special guest for the day was the Rev. H. G. Brant who motored out from Vegreville for the occasion. Games and good eats were

scratches and slivers to attend to but no one was seriously hurt.

Some of our pupils are very much interested in attending Summer Camps and arrangements are being made to send them to Kapasiwin this year.

We are looking forward to a grand day at Elk Island Park on Sunday, June 20th, and hope that all churches in our parish are well represented to make the rally successful.

We take this opportunity to express our sympathy to the Rev. H. G. Brant in his recent loss of a kind parent.

Receiving God's blessing in Confirmation on May 23rd were: Albert Robert Venne, Betty Ann Littlechild, Eleanor Grace Mennie, Edna Lorraine Mennie, Sophia Mennie and Elsie Esther Kopp.

### ST. JOHN'S, KITSCHOTY

Mr. D. Welander

On May 24th we had our first service conducted by Mr. David Welander who gave an address on the Trinity which all enjoyed. Fourteen adults and some children were present.

On May 27th several members of the W.A. journeyed to Vermilion for the funeral of our beloved Mr. Brant. All our hearts go out to Mrs. Brant and the family at this time of their great loss.

On June 6th we had another service with Mr. Welander, who this time preached on "Christian Hope." Fifteen adults were in attendance. As news of our more frequent services gets around we are hoping for better attendances and hope that more of our country friends will be able to get in.

On June 10th we had our regular W.A. meeting at the home of Mrs. celebrated in the presence of the

Butterfield, with eight members present. Among the business was the voting of \$15 to Elizabeth House and a very interesting report from Mrs. Apperson on the Deanery meeting held at Vermilion. After business was disposed of our hostess served a dainty lunch which all enjoyed.

### MARWAYNE

Since last writing, a great deal has happened in our parish. First, we were indeed sorry to hear of our beloved Mr. Brant's passing. A few short weeks before he had taken service in St. George's church. Our sincere sympathy to Mrs. Brant and family.

The W.A. have arranged to have candle holders placed on the altar, in memory of Mr. Brant, on the completion of the church here.

We welcome to our midst, Mr. David Welander, who very ably conducts the services. Not having a car, he still manages to visit his outlying parishioners, by using a bicycle.

A vestry has been appointed and through them work has been started on the basement for the church. At the next meeting they hope to make ar-

rangements to have the forms in and the cement work done. The W.A. at their last meeting voted money to have the interior of the church painted.

A "bee" is being held shortly by the men of St. George's to tear down the old unused church at Tring. The lumber salvaged is to be used to enlarge our own. By fall we hope to have the enlarged building on a full sized basement.

Services are being held every Sunday in Marwayne at 11 a.m. Communion and Baptism services will be held on July 4th. The Rev. T. Teape of Vermilion has kindly offered to be with us then.

The W.A. held a tea in the local drug store. Net results amounted to \$39.

Our summer meetings are being held at the home of country members, the June meeting being at Mrs. G. Kent's and the July meeting at Mrs. G. Boyce's home.

Our bazaar work is gradually mounting, as each meeting the members turn in the required article for the month. June it was dolls. July an apron. Besides, we got a good supply of fancy work from Eaton's and each member is busy doing her bit.

## Rural Deanery of Wainwright

### HOLY TRINITY, TOFIELD

The Rev. E. N. P. Orme

The June W.A. meeting was held at the home of Mrs. J. W. Robinson with eleven members and four children present. The regular devotionals and business followed in order. Some Dorcas sewing was handed in. The United Thankoffering amounted to \$14.17. We have nine individual Thankoffering boxes and a branch box.

The Little Helpers' Secretary announced the Annual Rally would be on Saturday, June 26th. Plans were made for the Deanery Conference to be held here on Tuesday, June 22nd. It is hoped the weather man will be kind to us on that day in order to ensure a good attendance. We are pleased to report that Kathleen Thomson and Claudia Orme are planning to attend the Senior Girls' Camp and Glenn Blakeley the Junior Boys' Camp. It is hoped that others will also decide to attend.

The play "The Family Upstairs" under the direction of the Vicar was presented on June 1st in an excellent manner. The Memorial Hall was crowded for the event and the cast was suited to the various characters portrayed. During intermissions the Junior girls sold candy. Our thanks are extended to the W.A. members and friends who supplied the candy. Congratulations are extended to the various members of the cast and all who helped in any way to bring about the success of the evening. The proceeds from the play are to go to the Vicarage Fund.

In honor of Miss Marjorie Bailey, a June bride elect, the Vicar on behalf of Holy Trinity congregation made a presentation in the church hall of a lovely lace tablecloth at the close of the service on Sunday morning, June 6th. Marjorie has been affiliated with the various church organizations since early childhood. Our best wishes are extended to Marjorie and her husband

in the years to come. A gift was also sent to Miriam Elizabeth Seale who was married at St. Luke's Church on June 11th by the Rev. A. Wallis. Miriam, who lived in the Tofield district until attending the University of Alberta has many friends and relatives here who wish her success and happiness in the years to come.

On the evening of June 15th two carloads of happy scholars accompanied by the Vicar, Mr. and Mrs. R. Cratta and Mrs. J. W. Robinson went to Edmonton to prepare their broadcast for the Radio Sunday School.

**Holy Matrimony:** On June 16th, Marjorie Edith Bailey of Tofield to George Elmer Foshaug of Bardo, Tofield. The Rev. E. N. P. Orme officiated.

### RODINO

The W.A. held their May 20th meeting at the home of Mrs. A. Beckett. There was a good representation with one visitor and one new member, Mrs. A. Winfield.

On May 30th Church was held at Mr. and Mrs. I. Daniel's home and also at Rodino School in the evening.

We are increasing our W.A. Pledge as agreed.

The Weiner Roast at Rodino Hall June 12th was a great success. The largest crowd turned out that we have seen for a some time.

The Vicar rendered a cheerful Family Blessing on June 13th at the home of Mr. and Mrs. A. Beckett. There was Evensong held at Rodino School in the later afternoon.

### ST. MATTHEW'S, VIKING

The W.A. met at the home of Mrs. James Milne on June 10th, when we were pleased to welcome two new members, Mrs. Goddard and Mrs. Hansen. The Dorcas Secretary distributed some fancy work to be finished for the Fall Bazaar and arrangements were made to finish a quilt for the bale. \$50 was donated for church expenses.

The new pews were used for the first time on Sunday morning, May 30, and were found very comfortable and added to the beauty of the church.

A humorous play entitled "The Family Upstairs," presented by members of Tofield Church and directed by the Rev. E. N. P. Orme, was much enjoyed on Saturday, June 5th.

It was sponsored by St. Matthew's W.A., who entertained the players to lunch later in the evening at the home of Mrs. James Milne.

Miss Betty Scott was united in marriage to Mr. Elmer Arthur Townsend at All Saints' Cathedral, Saturday, June 12th. We all wish them every happiness.

in honour of their leader, Mrs. Marcia Ganderton. The tables were attractively decorated in the diocesan colours of green and gold. Thirty places were laid for special guests, the members of the Junior Auxiliary and the Girls' Auxiliary.

Mrs. Arkwright, honorary president, presented Mission Study badges to the members of the Girls' Auxiliary. In a short speech, Mrs. Arkwright congratulated the girls upon their studies. She also voiced the feelings of all when she spoke of the keen regret we feel in losing Mrs. Ganderton, who is returning to her home in England.

On behalf of the Girls' Auxiliary a presentation was made by Ruth Armitshaw, who thanked Mrs. Ganderton for the interest and devotion she had given the group, inspiring them to greater service and higher ideals. Mrs. Ganderton replied, telling of the pleasure and happiness she had found in being leader of the group. She deeply regretted being unable to stay to take part in the summer camps at Kapasiwin. After a sing-song led by the group president, Naomi Mockford, and a few games, the programme came to a close with singing "For She's a Jolly Good Fellow." At this juncture the girls were joined by the members of the senior choir. A presentation was made to Mrs. Ganderton by Mrs. Griffiths.

Mrs. Ganderton will be greatly missed in many departments of the

parish. She was a valuable member of the Woman's Auxiliary, the senior choir and leader of the Girls' Auxiliary.

Two members of the Girls' Auxiliary attended the G.A. Festival. We were sorry that it was not possible for more to attend, but unfortunately the dates conflicted with the school track meet. However, good reports were brought back by the two members and Mrs. F. E. Smith.

**The Junior Auxiliary**—Mrs. C. Alexander, president of the Women's Auxiliary, presented badges and stripes to the members of this group. The girls all looked very neat and attractive in their new uniforms.

**Senior W.A.**—The ladies had a busy month; among other things they catered for the "Calf Club Banquet." Over a hundred members sat down to a very enjoyable banquet, and many complimentary remarks were passed regarding the splendid meal which had been prepared by the ladies.

At the monthly meeting the ladies said fond farewell to two excellent workers. Mrs. Gore, who has been with us almost a year and has done such valuable work, and Mrs. Ganderton.

A tentative date has been set for the Annual Open Air Service and Parish Picnic. July 18th has been chosen and we hope that all parishioners and their friends will join us at the Battle River Park upon this occasion.

The Rector is holding a summer school for children the first week in July. There will be devotions, instruction, recreation and handicrafts. All children in the district are welcome.

### ST. MARY'S, PONOKA

The Rev. F. A. Peake

The Bishop visited the parish on Whitson Tuesday and confirmed a class of seven candidates presented by the vicar, namely, Joseph Schimp, Donald Racher, Annie Schimp, Elinor Stretch, Shirley Paterson, Queenie Newsom, Shirley McMahon. There was a large attendance and reception afterwards in the Parish Hall. Our thanks are extended to Mrs. T. Bird for the beautiful flowers for the altar.

The following Sunday the candidates took their first communion, and breakfast followed. Over 35 attended. It was a very happy gathering.

### ST. ANDREW'S, CAMROSE

The Rev. C. F. W. Goddard

By the time that this copy of the magazine reaches you, W.A. activities will have ceased for the summer months. We have catered for many banquets; thank you all, very much. Some of us feel a little weary, but let us "lift up our eyes unto the hills." We worked hard, and people "gave" over and over again. Let us offer to God this amazing generosity which lifts our efforts above the bare fact of making money. Let us not be discouraged: "Love suffereth long and is kind," and God is Love.

One evening in June, our Rector, the Choir, and interested friends, went to Rosehaven Home for aged people, for Evensong. It was beautiful. The old story of the Good Shepherd had a new significance when told to a group of people who have already travelled the dusty highway of life for many years. But the great thing was the spirit of hope which seemed like a cool breeze when Mr. Goddard told them that they, too, could be shepherds, and find things to do for each other. It was a privilege to be there.

**G.A.**—The G.A. of St. Andrew's parish was well represented at the Festival at St. Stephen's, Edmonton, by the leader and all three members. The joy

of winning the cup for country branches was not lessened by Camrose being the only competitor, as our marks were very good. It is a treat to be able to share in the Festival, and see the larger pattern of diocesan G.A.

**W.A.**—The W.A. held its Lilac Tea and Bazaar on St. Barnabas' Day. The parish hall was beautifully decorated. The tea was convened by Mrs. Hugh; the stalls were looked after by Mrs. Fuller, Mrs. Tanner, Mrs. Yyfield, and Mrs. Cramer. Tea was poured by Mrs. Campbell and Mrs. Snider; the guests were received by Mrs. Goddard. Miss Studholme and the G.A. entertained with some of their Festival numbers.

### ST. DUNSTAN'S, BITTERN LAKE

Those attending the Deanery W.A. meeting in Killam, June 16th, were Mrs. J. G. Baker, Mrs. E. R. Ochsner, Mrs. G. H. Ladell and Mrs. C. T. C. Roper. They all reported a very happy day. The service in the lovely little church, the friendliness of everyone, and the generous hospitality of St. George's W.A. all combined to make the meeting one of the best.

The W.A. gathered at the church one day recently and gave it a good house-cleaning, afterwards meeting at the home of Mrs. C. T. C. Roper for tea.

The Afternoon Group of the W.A. was held in the Parish Hall, June 3rd, and will close for July and August. If able, Mrs Noder will attend as delegate to the Deanery Meeting.

The Indian bale was completed, seven dresses being turned in to Mrs. Scott, Dorcas Secretary. Mrs. Stretch undertook to be Little Helpers' Secretary until the end of the year, Mrs. McLeod having left. The hostesses for June were Mrs. J. Gordon and Mrs. Paterson.

The Baby Show sponsored by the Evening Group of the W.A. exceeded all expectations. Over 140 babies were entered and many had to be refused on account of room. The hall was beautifully decorated and tea was served. The young members group are to be congratulated on such a successful undertaking.

The Vestry wishes to remind all the congregation of the Rectory Fund. Half the year has almost passed and it is their earnest wish to be able to clear off this debt by the end of the year.

#### SEGEWICK MISSION

The Rev. W. Brooks

To our congregation:

Before these notes reach you we will be in the East for a short stay, and in connection with our absence I urge you to give your full support to the Laymen who have so loyally offered to continue services. To these men we offer our thanks, at the same time knowing that this is insufficient reward for their splendid response to the need in the parish.

It is at last possible to travel freely, and it is a great pleasure to visit our people who have been out of touch for so long. We sincerely hope that they in turn will make every effort to attend church during the all too short season open to travel.

This month has seen considerable activity in W.A. work, the peak being attained when **Killam** was the setting for the Deanery meeting, at which a very good representation from all points was recorded, and the various reports followed with great interest. The day began with a celebration of H.C. and ended with evensong; both services were well attended. To all who helped make this a great day in the history of the parish and the organization we send our profound gratitude.

The **Sedgewick** branch held their regular meeting at the home of Mrs. F. Hooper and voted to sponsor the attendance at Kapasiwin of a senior or junior from the S.S. The S.S. itself has proceeded along similar lines and we hope that this year will see a commencement of young people from the parish attending and enjoying the pleasures of camp life.

The practice of holding summer meetings in the country was again continued this year at Lougheed, and a very large turn-out was seen at the home of Mrs. T. Cookson at Goose Creek. Plans were completed for the S.S. picnic, and a great many other matters were discussed. At the conclusion it was agreed to accept the invitation of Mrs. F. Barton for the July meeting to be held at her home. The death of Mr. H. Seymour after a protracted illness is recorded, and to his relatives we extend our deepest sympathy. We also send the felicitations of the congregation to Mrs. Hobson and hope for her speedy recovery from injuries recently received in a car accident.

**Hardisty**—Mrs. Chopey was hostess to the W.A. and the attendance was very good. Mrs. B. Matthews is to organize a branch of L.H. here which we hope will be a success. We hope Mr. F. Matthews will soon be well again and at his regular post in church.

A man's character has to be greater than his environment to rise above it.

Nothing adds up if you are not happy.

We dare not run to God to wipe away by miracles the effects of our human misdeeds.

We human beings not only confront values: we embody them, incarnate them, channel them.

Big men pay no attention to petty critics. That is the sign of their greatness.

It is clear that the best and surest way for a man to do good to himself is to do good to others.

Faith springs up simultaneously with the prayer, and is the springboard that sends petition winging to its mark.

Talk in a clear and level tone of voice. Don't get excited and run up and down the scale of vocal emotion. Do not mumble or slur.

Allowing your mind to become tainted or polluted by hatred is inviting self-destruction by self-poisoning. In a sense, suicide.

Everything you say, everything you do, creates impressions upon other people—and whether these are good or bad depend on you.

The tendency to respond to the salutation "How are you?" as though it were meant literally, should be controlled. Don't talk about your indigestion: "How are you?" is a greeting, not a question.
